

Here are two prayers for protection and clearing energies that feel heavy and/or unwanted in your home, office or on yourself. Prayers must be handwritten because there is power in your writing, then place them in every room with the intention to clear the energies. Also buy tea light candles, plain no scent, and light 1 to 3 in every room with the same intention of asking your angels or whomever you pray to; to add love, light, joy, peace, healing into every room and fill it with love and calm energy.

Write both prayers on the same piece of paper and then place it under every corner of your mattress tonight and feel the energy changing within you, clearing you of heavy and/or unwanted energy.

Prayer # 1

The light of God surrounds me.
The love of God enfolds me.
The power of God protects me.
The presence of God watches over me.
Wherever I am, God is always with me, Amen.

Prayer # 2

All power is of God; what is not of God has no power to do anything to me.

The above prayers have no religion associated with it.
